

Short Term Accommodation and Assistance

Rosanna

Ages:
6-17 and 18+

Bedrooms:
6

Fully Accessible

Scope has been providing services to people with a disability and their families for over 70 years. We pride ourselves on seeing the person first and catering to individual needs.

Adult and Children's Short Term Accommodation and Assistance (STAA) Services

Whether your goal is to learn new skills, meet new people, or to enjoy a short break, staying at Scope's STAA can make it happen.

What's on offer

- Welcoming and safe environment
- Meet new people and try fun activities
- Increase your independence
- Develop new skills to achieve your goals
- Experienced and caring staff

This property alternates between providing support to children and providing support to adults. Children and adults are never accommodated together.

Support can be provided during the week and on weekends - including overnight stays.

Staff are highly experienced and trained to provide individualised support to children with a wide range of disabilities and specific health needs. This includes physical support assistance, medication administration, mealtime assistance, personal care assistance, behaviour management support, communication support and assistance to achieve personal goals. We also provide customers with a summary of their stay after each visit.

Scope is NDIS accredited and all support staff undergo a screening process, which includes a Working with Children and NDIS Worker Screening Check.

Rosanna STAA features

- 6-bedroom, bright, modern fully-accessible house
- Fully resourced with manual handling equipment including fixed overhead hoist, hi-lo beds, hi-lo bath and portable hoists
- Purpose-built playground, swings, basketball hoop, trampoline and other recreational equipment
- Large selection of DVDs, board games, video games, books, drawing and craft supplies.

Funding

Please ensure that funding for short term accommodation services is available in the core supports sections of your NDIS plan. Rates will be charged as per the NDIS price guide.

We can help you understand the STAA funding available to you and your NDIS plan. We can also provide you with a quote for services at your request.

Contact us for more information about how you can access our STAA services.
